Spring/Summer 2008 - NEWSLETTER

Greetings,

Despite the frigid jaws of winter chomping down on us, our 3 cities tour in mid-January was a sold out success. What a wonderful time we had! Departing the warmth of Hawaii in the dead of winter for a month's visit to the South East was indeed bracing, however the personal contact became magically warming to our souls. So now that I have made good on my promise to not "just disappear" into Paradise - the next in-person readings tour is strategically scheduled to launch in the heart of summer.

Our tour begins July 16th with two days of private readings in Hollywood, CA, several days in Charlotte, NC and three weeks in Asheville, NC. Private appointments can only be offered on a first come, first served basis. Consultation reservations can be scheduled online. See Special Events section for specific dates.

I am excited to invite you to "Your Sacred Gift - Discovering the Voice of Spirit", Sunday, August 3rd. This will be a special one day workshop to be held at the Homewood Event Center, (aka Montford Castle) 19 Zillicoa St. in Asheville, NC. This workshop will be an enjoyable opportunity for all participants to explore the power and practice of intuition. "Your Sacred Gift" begins with an intimate message gallery forum for individuals to receive personal guidance and ask specific questions. Scheduled in the afternoon of our exciting day is an insightful class on "Activating Your Symbolic Sight" - personal instruction geared to progressively cultivate intuition. Register online for this special workshop.

Watch for your postcard in the mail announcing "Your Sacred Gift" (if you are not currently on the Castex Consultations snail-mail list, please send current USPS Address to be added) Enjoy a special early-bird discount by registering before June 15th. "Your Sacred Gift" will be both inspiring and illuminating. I can't wait to share the fellowship and grace of the Spirit with you this August!

Grace always,

Charley
